Make it **Great** with MONIN!

Cucumber

Concombre

Do you know what "to be cool as a cucumber" means? To stay calm, remain relaxed!

This is not the only sensation you will feel once you will have tasted MONIN Cucumber flavour.

This flavour does not only fit the worldwide natural healthy trend, it also gives you a refreshing and "good for your body" sensation. Even if cucumbers are very popular and available in many countries, cucumber juice is delicate and has a short shelf life.

MONIN Cucumber syrup will help professionals save time while maintaining the real fresh cucumber taste. This appealing flavour complies with increasing vegetable trends among mixologists.

COLOUR

Vivid green.

TASTE

Very juicy cucumber taste with a subtle acidity.

APPLICATIONS

Iced teas, martinis, sodas...

AVAILABLE FORMAT

5 cl & 70 cl.

With over 90 years of experience, MONIN has become the brand of choice of the gourmet flavour business with over 100 flavours available in more than 100 countries, including the widest range of Premium Syrups, a large assortment of Exclusive Liqueurs, Gourmet Sauces and Fruit Purées. Tasteful and versatile, MONIN will allow you to meet your customers' expectations for quality, flavour uniqueness, and newness in all applications.

Alexandre LAPIERRE

MONIN Beverage Innovation Director

"MONIN Cucumber is a trendy syrup, which will allow you to realize amazing signature drinks.

I particularly like its unusual vegetable taste. To enhance it, I recommend rimming your martini or margarita glass with salt.

You may also garnish the inside part of your glass with fine slices of fresh cucumber. This will give another dimension to your preparation and will reinforce its visual impact."
